MISSION

Merriang SDS will challenge, engage and empower students. They will achieve their personal best through meaningful educational experiences and a whole school approach based on current research, progressive practices and partnerships with the wider community.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

Merriang SDS' values are Safety, Respect and Active Learning

We promote a safe, predictable and consistent environment by modelling safe practices and making the appropriate choices in order to become confident and engaged learners.

We show respect for ourselves and others by being kind, listening and speaking politely.

We are active learners when we engage, participate and collaborate with each other.

BEHAVIOURAL EXPECTATIONS

Merriang SDS acknowledges that the behaviour of staff, parents, carers and students has an impact on our school community and culture.
